HAD ALL THE SYMPTOMS.

Dear Sirs:

As a result of a serious blood disorder my blood became poisoned and I suffered severely with Rheumatism and other symptoms not necessary to mention. A friend of mine told me that he had been cured of my trouble by S. S., and upon his recommendation I began its use. After using it for some time my blood was thoroughly cleaned of all poison and made pure and strong again—I wish also to speak of its tonic properties. While purging my blood of impurities, it built up my general health, improved my appetite, gave me increased strength, and I felt better in every way.

MeGee has had fair success as a rider and trainer across the water, and speaks favorably of the game on that side of the ocean. He came in contact with many Americans who are now stopping on the Continent, and states that they are making a great record over there.
